

# QUALITY POLICY

Our Quality Policy is an integral part of business policy and organization framework for defining quality objectives. It is based on establishing a credible management system that continually improves.

- For this purpose, the following principles of the Quality Policy are established:
- ⇒ Honor the language and spirit of the law of every nation and undertake open and fair corporate activities to be a good corporate citizen of the world,
  - ⇒ Respect the culture and customs of every nation and contribute to economic and social development through corporate activities in the local communities,
  - ⇒ Dedicate ourselves to providing clean and safe products and to enhancing the quality of life everywhere through all our activities,
  - ⇒ Reduce the environmental impact by sustainable manufacturing through proactive resource efficiency across all functions and develop environmentally friendly products,
  - ⇒ Create and develop advanced technologies and provide outstanding products and services that fulfill the needs of our customers worldwide,
  - ⇒ Foster a corporate culture that enhances individual creativity and teamwork value, while honoring mutual trust and respect between labor and management,
  - ⇒ Pursue growth in harmony with the global community through innovative management,
  - ⇒ Work with business partners in research and development to achieve stable, long-term growth and mutual benefits, while keeping ourselves open to new partnerships,
  - ⇒ Continuous business and process improvement with clearly defined responsibilities, management of systems as required by IATF 16949, achievement of product conformity and hence customer satisfaction,
  - ⇒ Each **AUTOSTOP** Process as well as employee to perform by objectives, taking into account needs and objectives of interested parties,
  - ⇒ **AUTOSTOP** puts emphasis on local responsibility activities and needs including selection of material and services supplied always in accordance to Customer, IATF, legal and organizational requirements.

Based on "**Mutual Trust and Responsibility**", **AUTOSTOP** continuously strives to create a safe and harmonius working environment for its employees, guided by the awareness that the success of its business depends on the satisfaction of its customers.
